Kehräämö Live+ Crazy Cavan & The Rhythm Rockers

The legendary Crazy Cavan & The Rhythm Rockers' farewell tour is coming to Pori and Kehräämö!

The legendary Crazy Cavan & The Rhythm Rockers will be doing their last tour in Finland in early March. The band, founded in 1970, will be disbanding next year, so now is a unique opportunity to see the band one more time!

The band is also a rarity because the line-up has remained the same since its founding. The only change in the line-up occurred in 2020, when the band's singer and frontman Cavan Grogan unexpectedly passed away. On this final tour, he will be replaced by Grogan's own son Joe Grogan, who also has his own rockabilly band, Graveyard Johnnys.

Crazy Cavan & The Rhythm Rockers first performed in Finland in 1980 and have been visiting Finnish gigs regularly since then. The band last performed in Finland in 2019, just a few months before Cavan Grogan's death.

The evening's warm-up act will be Nick Rumble & The Rockers.
